Subject: Wesley Family Services - Beta Drive site closed through March 27, 2020

With Governor Wolf's announcement Friday that Pennsylvania was closing all K-12 schools for two (2) weeks, Wesley Family Services has made the difficult decision to close our Facility Based CPS/Employment programs (North Co) effective Tuesday, March 17, 2020. This decision has been made to protect the health and safety of our clients, staff and community. Notification of clients, families and stakeholders started early this morning of this pending closure.

At this time, we hope to re-open our facilities on Monday, March 30, 2020, but final determination will be made at a later date.

Please feel free to reach out to us if you have any questions or concerns.

Please take care of yourself and stay healthy.

Thank you.
