**Subject: WonderKids Session Service Suspension Extended through Friday, April 10, 2020**

Thank you for your continued support as WFS has been closely monitoring the CoVid-19 outbreak. In an effort to remain vigilant in our precautions regarding CoVid 19, WonderKids has made the decision (in alignment with that of the local school district closures) to extend suspension of our onsite sessions through Friday, April 10, 2020. At that time, we will re-evaluate the need for ongoing extensions of this service suspension.

In an effort to keep our clients and families connected to this essential service, as well as to ensure continuity of care, our WonderKids staff will be checking in with you once per week by phone during this time of service suspension to review your goals and objectives, and to provide resources on how you might practice some of the skills you are learning in WonderKids at home.

In addition to our weekly outreach calls, should you need to speak with a WonderKids Therapist at any point during the suspension of services for information related to your child's care, we encourage you to reach out to us by phone for a consultation. Below are your contacts at each office:

<b>Bridgeville Office:</b>	<b>Katherine Abriola-</b>	<b>412-627-4749 or <a href="mailto:katherine.abriola@wfspa.org">katherine.abriola@wfspa.org</a></b>
<b>Monroeville Office:</b>	<b>Melanie Cetra-</b>	<b>412-335-8983 or <a href="mailto:melanie.cetra@wfspa.org">melanie.cetra@wfspa.org</a></b>
<b>Wexford Office:</b>	<b>Laurel Clark-</b>	<b>412-290-3675 or <a href="mailto:laurel.clark@wfspa.org">laurel.clark@wfspa.org</a></b>

Lastly, WonderKids staff are hard at work discussing the possibility of group telehealth options we might be able to begin utilizing soon. It is our hope that we can create modified group options and pilot them with our older adolescent and young adult groups starting the week of 3.30.20 using a Go To Meeting platform. Your WonderKids therapist will be reaching out with further information, if we are able to get these virtual groups up and running.

Thank you for your continued support as we strive to maintain a healthy and safe environment for our clients, staff and families.
