

# Adding sparkle and smiles to the Holiday Season

Wesley Family Services provides transformational care to close to 30,000 individuals throughout Western PA. An important initiative each year is our **Angel Tree** gift distribution where holiday presents and gift cards are given to the children and families in our care who need extra support this time of year.

## **Please join us in this important effort!**

You can support the Angel Tree program by organizing a Gift Tree at your job, community group, or place of worship for a select number of angels. You can also participate individually. We will send you the name, age and gift idea for an angel in need. This year, we are encouraging gifts to be purchased online and shipping them directly to our Wilkinsburg Office, 221 Penn Ave, Wilkinsburg, PA 15221.
