Make a Gift of Stock

Donating stock is a simple and powerful way to support our mission. It also offers you a number of financial benefits:

- You can easily donate appreciated stock
- The total value of the stock upon transfer is tax-deductible
- There is no obligation to pay any capital gains taxes on the appreciation

* Note: Individual situations vary so donors should consult their advisors.

Qualified Charitable Distributions (QCD)

Making a qualified charitable distribution (QCD) of funds from your IRA (with a few exceptions) directly to Wesley Family Services. Because the gift goes directly to us, the dollar amount of the gift may be excluded from your taxable income up to \$100,000 annually, with some exceptions.

* Please consult with your tax advisor for information regarding your specific situation.

Legacy Giving

Leave a legacy. Including Wesley Family Services in your will, trust or endowment will support the future needs of our organization while providing some financial benefits to your estate. Consult your attorney and or financial advisor to make a lasting gift and our organizational advancement staff will be able to help guide you in the process.

Participate in Workplace Giving

Many employers sponsor matching gift programs and match charitable contributions made by employees. Please check with your company to see if it offers a program that matches your donation.
