WHAT IS THE WESLEY NEST?

At the **Wesley Nest**, we provide Post Permanency support to PA permanency families. The Wesley Nest is an approved respite center for kids who have been adopted or in legal custodianship settings. While the parents and caregivers are given time to relax and run errands, they can find comfort in knowing that their kids are under the supervision of trained professionals. The kids will be engaged in structured activities that allow them to explore their creativity while socializing with peers.

ACTIVITIES

THEMED SESSIONS

Throughout the month the sessions follow a theme. All session activities are centered around the theme. Staff are present to help the children successfully achieve the activities.

CRAFTS

Let your imagination run wild with art!

- **Projects:** Let your creativity soar with painting, drawing and making crafts.
- **Themed Crafts:** Each month, we do a different theme for our craft projects, so there's always something fresh and new to make!

SOCIALIZATION

The kids in attendance will be engaged in positive interactions with their peers.
